This world class English Breakfast blend is far from ordinary. Made with three types of Assam leaf, it delivers a well-rounded, full-bodied breakfast tea. Only the finest tea estates are used for this blend, which is truly exceptional.

#### SAPPHIRE EARL GREY

This rich, delicate, full-bodied Earl Grey is given an innovative twist with bergamot and blue malva flowers.

#### ORGANIC DARJEELING

Referred to as the Champagne of teas, this Darjeeling certainly fits this description. This second flush is the most prized harvest of the year, from one of the oldest and smallest tea plantations in India, delivering exceptional character and exquisite flavour.

#### DRAGONWELL GREEN

The famous Lung Ching green tea has quickly become one of the most renowned green teas in the world. It offers a smooth, subtle flavour, with a slight sweet finish, the mark of exceptional quality.

#### EGYPTIAN MINT

The Egyptian mint leaf dates back to the pharaohs. This caffeine free peppermint tea is refreshing, cooling and full of flavour. Well-rounded with no bitter aftertaste, perfect to cleanse the palate and energise the body.

#### PERSIAN POMEGRANATE

Capturing the unique flavour of one of the world's oldest fruits, Persian Pomegranate delivers a succulent herbal infusion. Pomegranate is a super fruit, high in antioxidants, accounting for its recent popularity.

#### CITRUS CHAMOMILE

Since early Greco-Roman times, the calming and soothing qualities of chamomile have been well known. This caffeine-free blend of chamomile is enhanced with the delightful flavour of lemon grass. The result is a mellow citrus delight.

#### WHITE PEAR AND GINGER
